200 APPLY FOR REGULARIZATION OF ILLEGAL COLONIES

CHANDIGARH The process of applying for regularization of colonies, plots and buildings has gained momentum as the Department of Housing and Urban Development has so far received near about 200 applications from across the state. "The number of applications received in less than one month's time of notification of the policy show that the policy has found favour with those interested in regularization," a senior officer said here on Monday. On its part, the department was making all the efforts to ease out the process of regularization. While the option of applying online has been given to the applicants, 247 Sewa Kendras across all the districts and various branches of the HDFC banks have also been engaged in the process. Whereas HDFC bank is facilitating the acceptance of applications free of cost, a fees of Rs 1,000 from the colonizers and Rs 300 was being charged from the plot/ building owners who are applying through the Sewa Kendras. Apart from acceptance of applications, the Sewa Kendras and branches of the bank are providing complete information to the applicants regarding the procedure of regularization. As far as the submission of online application was concerned, the facility has been given to those who want to apply on their own. However, such applicants would be required to submit the hard copies of required documents to the Sewa Kendra or HDFC bank branch of their convenience.

200 apply for regularisation of properties

Mohali: In less than a month's time of notification of the policy regarding regularisation of irregular colonies, plots and building, the Punjab Housing and Urban Development Department has received nearly 200 applications from across the state so far. "It's certainly a good number which indicates that the policy has found favour with those interested in regularisation," Housing and Urban Development Minister Tript Rajinder Singh Bajwa said. He said it was a good chance for colonisers and plot owners of illegal colonies to avail the benefit of the policy and get their colonies, plots and buildings regularised. TNS
