**MOHALI:** Housing and urban development minister Sukhbinder Singh Sarkaria, presided over a meeting with the association of colonizers at PUDA Bhawan Mohali, on Tuesday, to review the implementation of the policy formulated to regularise unauthorised colonies, plots and buildings in the state. The meeting was held in the backdrop of a discussion held a few days ago with the association wherein colonisers had raised issues that were causing hindrance to those interested in applying for regularisation.

They had requested for an extension of the last date for applying under the policy. The minister agreed to this demand and announced the extension of the last date to October 31 for applying for regularisation.

In the meeting, it was decided that no interest or penal interest will be charged from colonisers of unauthorised colonies.
