GMADA razes 15 illegal structures

EXPRESS NEWS SERVICE

MOHALI, JULY 22

A DEMOLITION drive was carried out by the regulatory wing of Greater Mohali Area Development Authority (GMADA) and as many as 15 illegal structures that had come up in different areas within the district were razed on Monday.

Rohit Gupta, Estate Officer (Regulatory), said that these illegal structures had been raised in violation of the Punjab New Capital Periphery Control Act in the periphery control area. In the action taken against the violators, a farm house at Shingariwal village, a farm house, one commercial shop and two under-construction houses at Parrch village and shed of a tile factory at Rampur Sainian village were demolished.

Besides, 10 structures constructed upto plinth level were razed. Road cuts in an unauthorised colony being developed at
