## NOTIFICATION

Population density, for dwelling units of unit area upto 1200 Sqft

dated

No..... Whereas Master Plans of 37 towns/ cities have already been notified under Section 70 (5) of The Punjab Regional and Town Planning and Development Act, 1995. The Population Densities for these towns have already been notified vide notification no 139 CTP(Pb) SP-135 (Vol 21) dated 4/03/2014 with approval of 'The Punjab Regional and Town Planning and Development Board'. While implementing the proposals of these Master Plans, it was brought to the notice of the Government by CREDAI Punjab that there is anomaly in the FAR and Population Density for dwelling units of unit area upto 1200 Sqft. The issue was examined in detail by the Government u/s 76 of the Act ibid in consultation with 'The Punjab Regional and Town Planning and Development Board's 30<sup>th</sup> meeting held on 09-12-2015. It was observed that it is not possible to achieve the permissible FAR of 1:3 with the present population density of 375 ppa for units upto 1200sqft for the group housing projects. Therefore to remove this anomaly, it was decided to allow a Population Density of 450ppa for dwelling units of unit area upto 1200sqft instead of 375ppa for group housing projects in all the Master Plans of the state of Punjab. Accordingly this amendment is hereby notified u/s 70(5) of The Punjab Regional and Town Planning and Development Act, 1995.

It shall come into operation from the date of its notification.
